The passing of Curtis Page, who has been a member of the Clarendon School Board for many years, is not only an inestimable loss to the school department, but to the town as a whole. Mr. Page was a man with excellent judgment and a valuable officer in governmental affairs. He commanded the respect of all who had business relations with him, because of his honesty of purpose in every sense of the word. He will be greatly missed by all who knew him.

Respectfully submitted,

F. W. WALLACE,  
Superintendent of Schools
